From:

To: Security Director, NSASP subj: REQUEST TO

ENGAGE IN OUTSIDE EMPLOYMENT

1. Request NSASP permission to engage in off duty employment as (position/nature of job) at (employer/location of job).
2. I am familiar with Article 39 of the Fraternal Order of Police Collective Bargaining Agreement and the references cited. I affirm that this off duty employment will not constitute a violation of Navy Regulations, nor is it of a nature that may bring discredit upon the United States Navy, NSASP, or my position as a DOD Police Officer. Further, I understand that my employment as a police officer at NSASP takes precedence over any external/secondary employment, and this requested off duty employment will in no way conflict with my ability and availability to perform my assigned duties.
